Manufacturer: Pioner

Year: 2024

Price: £3,995 ONO

Location: Caley Marina

Full specification

PIONER 12 MAXI (PRICE LISTED AS BASIC MODEL)

The new Pioner 12 Maxi is a modern and secure multipurpose boat. It is self-draining, easy planing, very solid and stable. Pioner is the market leader in rotational moulding, and has taken this moulding process to new

heights with the new Pioner 12 Maxi. With its double hull, the boat is extremely safe and full contact between the deck and hull makes the boat stiffer and more robust. With minimal maintenance and build for long life, this is a perfect boat for all boat owners.

The boat seats three or four people, and the high freeboard ensures everyone will have a comfortable and dry boat trip. The longitudinal thwart is designed for easy rowing.
