Manufacturer: Pioneer

Year: 2024

Price: £5,900 ONO

Location: Caley Marina

Full specification

PIONER 14 ACTIVE (PRICE LISTED IS BASIC MODEL)

Pioneer 14 Active combines classic lines and good driving comfort with modern details and a stylish finish.

Grommets for ropes are integrated into the hull. A practical compartment on the port side fits long items such as boat hooks and fishing rods. On the starboard side there is room for smaller things such as mobile phone, wallets and other smaller items. It also has a battery compartment, room for a fuel tank under the aft bulkhead and two

storage spaces under the center bulkhead.

The boat has a lot of buoyancy, high carrying capacity and is perfectly suited to today's 4-stroke engines. A high freeboard makes for a dry and comfortable boat ride, even if there are some waves. The Pioner 14 Active is a spacious boat with room for four people and offers plenty of boating pleasure for active boat users.
