Manufacturer: Pioneer

Year: 2024

Price: £16,500 ONO

Location: Caley Marina

Full specification

PIONER 17 FLEXI (PRICE LISTED AS BASIC MODEL)

Pioneer 17 Flexi is designed for the active boat user. The boat is as standard equipped with, among other things, a wide center-mounted steering helm with windscreen, stainless side rails and automatic self-draining. There is also the possibility to take it to make it well equipped with options such as lanterns, bathing ladder, padded seats and backrests.

The Pioner 17 Flexi is a robust and incredibly seaworthy all-round boat with a smart design. It is both a utility boat and a solid steering helm boat for the family. In addition, it covers many different areas of use such as diving and water sports. Pioner 17 Flexi has a large main surface and two of the side benches can be folded down when not in use. There is plenty of space for storage; bow stowage, deck hatch for mooring lines, large rear seat with stowage for all sorts of equipment. Cushion set for the rear seat and padded backrest are available as options.
