Manufacturer:

Year: -

Price: £450 ONO

Location: Caley Marina

Full specification

Never Used still in original packaging

The Intex Mariner™ 4 inflatable boat is constructed for supreme strength and durability with SUPER TOUGH PVC. This material is comprised of three separate layers - two outer layers of heavy-gauge PVC laminated to an inner layer of polyester mesh for extra reinforcement. Great for boating or fishing with friends, this roomy Pro

Series boat is designed for three adults. Extra reinforcements include a keel rock guard and heavy-duty, extruded plastic flooring for stability and rigidity.

Inflating or deflating is a breeze with two Boston valves on the main hull chamber. Fishing and relaxing have never been easier with two built-in fishing rod holders and gear pouch. Motor mount fittings and a battery pouch are included for the flexibility of adding the Intex motor bracket and trolling motor. Two grab handles on each bow and an all-around grab line are provided for your convenience, as well as oar holders and rotational oar locks, a U.S. Coast Guard I.D., and a repair patch kit. Also included are two 54-in aluminium oars and an Intex high-output pump for easy inflation and deflation.
